Re: Pool Design by Schultz

November 14, 1995

Dear Sir,

Our company has supplied materials for Pool Design by Schultz for the past 5 years. They are a valued customer, and have maintained a current position with accounts receivable.

They have experience in various types of construction, as well as their pool building, all of which is done in a professional manner expected of a general contractor.

We are excited they are expanding into areas where their talents and abilities will be utilized to the fullest in our area.

Sincerely,
