Dear Dennis:

My wife and I would like to thank you for the absolutely terrific swimming pool you built for us for our new home on the outerbanks. We've received an incredible number of compliments on the pool from passersby (we're next to a beach accessway), renters, and visitors/builders during the recent homeshow.

We really appreciate your help coming up with something different, constructing the pool in a timely manner, and coming back several times to show us how to operate the various systems.

Sincerely,
